**Change of Management / New Branch Office**

Dear Partners,

on the occasion we would like to inform you about the latest developments within our company. As from the January, 8<sup>th</sup> 2015 Christian Schaefer became a second managing director of the company beside Daniel Stjern. Joachim Pinn refered his duties to the follower in order to focus on other issues within the Logisk-Gruppe Kiel.

At the same time, a further branch office has been founded, based in Kiel, Schleswig-Holstein. Hereby König transportgesellschaft will be able to strengthen its business within the Northern Germany and to gain more benefits out of synergies within the Logistik Gruppe Kiel.
